

# Community Radio at UChicago

From jazz to rap to hardcore punk, we have something for everybody! We broadcast 24/7: check out our [schedule](#) and then [stream us live!](#)

WHPK, "The Pride of the South Side," is the #1 student-run community radio station on campus. Our DJs are both students and members of the South Side community.

We have a massive record library, with tens of thousands of LPs, CDs, and tapes. Check out some of the best comments on our beloved vinyl by DJs from years past by clicking on Iggy.
