

PRE-REGISTRATION QUESTIONNAIRE WORKSHEET

Prepare to successfully request Autumn quarter courses by:

1. Collecting your placement results (AP exams, placement tests, and/or the Calculus Accreditation Exam).
2. Using the Pre-Registration Guide to identify courses you'd like or need to take. Humanities is required; the guide will help determine which other subjects are relevant for you.
3. Reviewing "Creating a Schedule" in the guide and identifying particular sections (days/times) that most appeal to you.
4. Giving yourself a lot of back-up options when selecting both courses and sections.

You will submit your course requests on my.uchicago.edu during the pre-registration period: **August 7-18.**

Note: Course requests are not prioritized based on order received.
